Assistance Program

Asphalt Paving 1 Equipment & Preparation

May 14, 2026
1:30 – 3:30 pm CST

To register, visit
www.cttp.org/arltap

Course Description:

This course introduces the equipment and preparation steps necessary for a quality asphalt paving project. By understanding best practices for paving, a consistent, high-quality mat can be constructed that will serve the public for many years. Calculations for estimating mix quantities and needed equipment are also included in this 2-hour webinar. PDHs available.

Who should attend?

Crew leaders and members, supervisors, inspectors, decision makers

Patrick Thomas, ARLTAP Program Manager – Patrick.Thomas@ardot.gov (501-569-2380)

Dr. Stacy G. Williams, CTTT Director – arltap@uark.edu (479-575-3997)
