AR  LTAP

Arkansas Local Technical
Assistance Program

Course Description:

This 2-hour webinar focuses on best practices for some of the most common asphalt pavement maintenance activities – pothole patching and crack sealing – and it is important to understand the situations that warrant various alternatives. Surface patches, deep patches, and edge patching will be discussed, as well as strategies for crack sealing and filling. PDHs available.

Who should attend?

Crew leaders & members, supervisors, inspectors, road foremen, superintendents

Patrick Thomas, LTAP Program Manager – Patrick.Thomas@ardot.gov (501-569-2380)
Dr. Stacy G. Williams, CTTT Director – arltap@uark.edu (479-575-3997)
